To Our Patrons!

Last year we sent out thousands of fine plants. This year finds us, however, with seventy-five times as much stock from which to propagate, ten times as much square feet of propagation space, better packing and shipping facilities, better equipment for the production of even better plants than ever before. Where last year we had as many as a few hundred of some items, we now have most all in thousands.

We thank you for our past success. We look to you for the opportunity of more and greater success.

We urge you to plant all you can take proper care of, in order that you will have ample blooms for your needs. Storms, crop losses, etc., cause shortage sometimes, however, beyond control. For this reason we urge you to order blooms from us when needed. Our blooms are sold direct to you, and are not handled thru consignment houses.

A TRIAL ORDER WILL CONVINCe YOU.

We grow considerable stock of *NANDINA DOMESTICATA* for the wholesale trade. Our stock is very strong, and unusually fine this season. Strong plants from 1 yr. beds—\$2.50 per 100, \$20 per 1000. Price list on request.
